

2018 Winter Travel League - Week # 7

Just 18 of the 60 shooters from the Winter Travel League posted scores this morning at the Genesee Valley Conservation Club. Lynn Pomeroy and the rest of the GVCC crew ran a good, safe trap shoot. It was just about 30 degrees, but with some tricky winds making targets a bit challenging at times.

Looking at the scores, Cliff Cole of Friendship scored an 84, followed by Portville's Gary Lockwood at 83, and son Dominic Lockwood and Ed Jurenko of Olean with 81 apiece for those shooting 100 targets. There were no 25-straight today. Carl Beil broke the *Green Bird*. (I have your \$3). John Munnion won the 50/50 drawing netting \$11. (I have your money).

Shooters have been divided into the three classes based on their season-long averages. They can (and will) change slightly by years' end. Gun safety is our top priority, so please think safety at all times; safety involving not only when shooting, but also driving to and from. A 50-bird trophy shoot, steak dinner, and awards ceremony will be held at the Portville Conservation Club, (the league's host this year), on Sunday, March 25th. You must shoot the entire 500 targets to be eligible for the 50-bird trophy shoot. Shooters will be broken into three classes (A, B, & C) which are determined by their season-long average over the 500 targets. Whether you complete the entire 500-bird league or not you'll still get a steak dinner at the banquet for your \$15. Extra guest steak dinners will be \$8 each. **You must reserve and pay for those in advance** by contacting Randy Hill of Portville (copied here). See you next week at the Richburg Rod & Gun where a pancake breakfast will again be served. Shoot well.
